

For over 20 years GSNetworks has been supplying our customers with a wide selection of products and services to meet all their cable connectivity needs. We cater to OEM and VAR customers servicing many market sectors including Military, Medical, Automotive, Computer, Aerospace, Security, Commercial, Telecommunications and more.

Custom Cable Assemblies

- Coaxial/RF, Antenna, Telecommunication
- Ethernet, Network, Telco Cable Assemblies
- Patch cords CAT5/5e / CAT6/6a & Cat7/7a
- Mil-Spec assemblies, 38999 connectors, ARINC
- Ribbon, Round to flat cables
- Audio, Video, Video Low Loss and Breakout
- DINN, D-sub, USB
- Firewire
- Fibre Optic
- MTA,SCSI,SAS
- T1 Cables (D15 and RJ45, DS3, DS4)
- Power Cords, Instrumentation Cables
- Medical, RoHS Compliant
- High Bandwidth Storage
- Passive component-to-wire
- Photovoltaic cables
- Moulded and many more

Coaxial / RF

- Custom Microwave Assemblies
- SMA, SMB, SMC, SSMB, SHV, RG
- MMCX, MCX, SNA, BNC, F, N, TNC
- TwinAx, TriAx, Quadrax
- Flexible, Semi-rigid, Hand Formable
- Corrugated
- LMR®, Low Loss
- UHF, Mini UHF
- 7/16 DIN, RCA
- Hydra cables and harnesses

Telecommunication

- Patch cords, Fibre optics, Coaxial
- RS232, RS485
- Audio/Video
- InfiniBand
- Ruggedized, Harsh Environment
- WAN/LAN
- TELCO 50 / 64
- Super VGA
- Hydra assemblies

Computer

- USB, Serial, DIN SCSI
- Keyboard/Monitor/Printer
- DVI, HDMI

Ribbon

- Flat ribbon cable, Round jacketed
- Non- PVC and shielded
- Twists pairs, Color coded
- Ground plane, Split wires
- High flex, High speed
- IDC, Plug, DIN, PCB, D-sub, FPC
- Card-edge, SATA, Board mount

Custom Cable and Wire Harnesses

GSNetworks provides highly-customized harnesses for many industry applications including communications, Aerospace, industrial and military.

Electromechanical Assembly

GSNetworks assembles a wide range of devices which includes control panels, box builds, Din rail assemblies, box builds, backplanes and a variety of sub-assemblies

Design Support and Prototyping

GSNetworks provides design support and prototyping services to support our customer's needs from initial product inception through to volume manufacturing.

Cabling Accessories

Patch Panels, Modular Adaptors, Racks, Tools, Cable Management Products, Gender Changers and many other accessories are available.

Additional manufacturing services

RoHS Compliant Assemblies - compliant wire, cable, connectors and solder technologies.

ESD Sensitive –ESD safe production area to build or rework PCBs and sensitive devices

Custom labelling – heat shrink or vinyl, single or multiple, colour coded...etc.

Wire Preparation we provide cutting, stripping, tinning, termination and/or labelling services

Contract Testing and Kitting – we will test and/or kit customers products at our facility

Value Added Services

- Kanban, Just in Time, Dock-to-Stock
- Custom Packaging
- Reverse Engineering

“Whether you require a one off prototype “yesterday” or large volume production, our dedicated team can help you meet your customer commitments with quality solutions.”
